

## THE EASTSIDE AWARD FOR APPRENTICE OF THE YEAR

### Entry Criteria:

This award is open to nomination for an apprentice from **any skill or profession** who is currently involved in their training programme or has completed their apprenticeship during 2023.

Nominators are encouraged to provide information that will show how the individual has performed throughout their apprenticeship and is making positive contribution in their chosen career such as:

- Commitment to having a positive impact on the organisation or firm they work for.
- Putting in extra effort for clients – ‘going the extra mile’.
- Commitment to developing knowledge and skills that enhances their career.
- Ability to act as a role model for others.
- Ability to work on their own or part of a team.
- Any other relevant information that would support their nomination.

### How to Enter:

1. Visit [www.eastsideawards.org](http://www.eastsideawards.org) and choose the category that you wish to enter/nominate in.
2. Download the category criteria and start planning how you/your organisation meets the requirements.
3. Decide whether you wish to submit a **written** or a **video** submission:

#### Video Submission:

This is a new entry mechanism for 2023 for those who would prefer to personally tell the story of them/their organisation rather than submit a written application.

**Step 1:** Fill in your details via the application form.

**Step 2:** Once you have filled in your details, you will be prompted to upload your video submission. There is no set structure for the video submission, the main aim should be to address the category criteria and tell the judges why you/your organisation deserves to win. Remember, you only have **120** seconds. Please note: It will be the strength of the entry, and how it meets the criteria, that will be assessed rather than the production of the video submission.

#### Written Submission:

Written applications can either be submitted online using the online entry form or by downloading an application form from the website and emailing a completed version to [info@eastsideawards.org](mailto:info@eastsideawards.org). All written submissions must address how you/the organisation/the business or individual meet the category criteria in a maximum of **1000 words**.

## Helpful Hints:

- ✓ Take time to look at the criteria in your chosen category and use it to guide your responses.
- ✓ It is important to note that the judges will be looking for evidence that will demonstrate the contributions, achievements or impacts associated with your responses.
- ✓ Remember, the judges can only base their assessment on the information provided so please do make sure you include all relevant information to assist them in the judging process.
- ✓ Please remember that regardless of whether you submit a written or video application, the judges will assess the submission based on how the entry meets the set category criteria.
- ✓ Should you experience any difficulty in submitting your application, please contact Jessica Higginson [jessica.higginson@podiem.com](mailto:jessica.higginson@podiem.com) or call 028 9076 1030.
