

THE EASTSIDE AWARD FOR SPORTS INITIATIVE OF THE YEAR

Entry Criteria:

This award is open to individuals or organisations involved in the promotion and provision of a sports initiative in the past three years (since October 2020) that contributes to greater involvement and engagement in sporting activities in the East Belfast & Greater East Belfast area.

Entrants are encouraged to provide information that outlines the overall aims of the initiative/activity.

Entrants should tell us:

- How the initiative/activity contributes to the overall sports provision in East Belfast & Greater East Belfast area
- What makes the initiative/activity stand out from the competition?
- How they have engaged with individuals, groups or teams from the East Belfast community (and beyond).
- What impact the initiative/activity has made to individuals and or teams.
- Any other relevant information that they feel would support their entry.

How to Enter:

1. Visit www.eastsideawards.org and choose the category that you wish to enter/nominate in.
2. Download the category criteria and start planning how you/your organisation meets the requirements.
3. Decide whether you wish to submit a written or a video submission:

Video Submission:

This is a new entry mechanism for 2023 for those who would prefer to personally tell the story of them/their organisation rather than submit a written application.

Step 1: Fill in your details via the application form.

Step 2: Once you have filled in your details, you will be prompted to upload your video submission. There is no set structure for the video submission, the main aim should be to address the category criteria and tell the judges why you/your organisation deserves to win. Remember, you only have **120** seconds. Please note: It will be the strength of the entry, and how it meets the criteria, that will be assessed rather than the production of the video submission.

Written Submission:

Written applications can either be submitted online using the online entry form or by downloading an application form from the website and emailing a completed version to info@eastsideawards.org. All written submissions must address how you/the organisation/the business or individual meet the category criteria in a maximum of **1000 words**.

Helpful Hints:

- ✓ Take time to look at the criteria in your chosen category and use it to guide your responses.
- ✓ It is important to note that the judges will be looking for evidence that will demonstrate the contributions, achievements or impacts associated with your responses.
- ✓ Remember, the judges can only base their assessment on the information provided so please do make sure you include all relevant information to assist them in the judging process.
- ✓ Please remember that regardless of whether you submit a written or video application or nomination, the judges will assess the submission based on how the entry meets the set category criteria.
- ✓ Should you experience any difficulty in submitting your application, please contact Jessica Higginson jessica.higginson@podiem.com or call **028 9076 1030**.

Eastside Awards 2023 Timeline of Events:
